MEETINGS

The full Governing Body meets once each term in the evening, starting at 7 pm, usually in November, March and July. These meetings consider standard agenda items from the Local Authority, receive reports on topical educational matters and receive a report from the Headteacher. Relevant members of staff are asked to contribute items for the Headteacher's report and, when appropriate, may be asked to attend a meeting.

The Committees of the Governing Body: Curriculum, Finance, Pastoral, Premises, Staffing and Student Support, also usually meet once each term and the minutes of these meetings are discussed at full Governing Body meetings.
