HPV Immunisations – Details and Dates

Very shortly your child will be bringing home a consent form regarding their HPV immunisations. Following advice from health professionals, students are encouraged to have these immunisations to reduce the risks in later life. It is advisable to start the process in Year 8 as this allows time for immunity to develop and boosters can then be given in Year 10.

In order for your child to receive the immunisations, it is important that you sign the consent form and return it to the School Office within two days of its receipt. Your help with the implementation of this would be appreciated.

Immunisation dates are as follows:

YEAR 8 HPV Immunisations:

Year 8 Assembly with School Health Advisor – 1st November 2010
1st dose – 16th November 2010
2nd dose – 16th December 2010
3rd dose – 16th May 2011

YR 10 Immunisations
