# Planners

If you do not have one, please go to the sixth form office

# Smoking

Smoking will not be tolerated outside of the school.

It sets a bad example to younger students and when stood in groups can be intimidating for our neighbours.

You have signed a contract that states that smoking will lead to disciplinary action.

If you need to smoke, take a walk away from the school.

# Anti-social behaviour

We have had several complaints from distressed neighbours.

They are understandably feeling intimidated by groups of students standing outside of the school, acting in an anti-social manner.

Please be conscious of those around you and do not stand in large groups around the school. Once again, we may need to discipline students who are identified as acting in an anti-social manner.

# Form Representatives

If you haven't already done so, please elect your Form Reps and let Ms Diamond know.

Many thanks

# Interested in Teaching?

Are you interested in teaching? If so, it would be possible for you to work with TAs in the classroom. However, you need to be committed and interested in this field.
