Miss Diamond is looking for two chair people and several members for the History 'Council' called "History Matters". It meets once every half term and is currently in need of leadership. Any students who are thinking about studying history at university would find this great experience for your personal statement and would show a real dedication to the subject. Useful to Know

RSC ChemNet

'Meet the Universities' is a unique event being run by the Royal Society of Chemistry, bringing together universities offering chemistry courses with students who are considering applying for chemistry courses at university.

This very popular event offers student the opportunity to come along and talk directly with the universities admissions tutors and other staff and students to find out about the degrees on offer and what life as an undergraduate is really like.

For online registration and further information visit:

www.rsc.org/mtu

Architecture

If you are thinking of studying architecture at university, please see Mrs Kasperkowicz in the D&T Department ASAP as she is organising an event which will be very useful for you.

Football Scholarships to the USA

If you are interested in applying for a football scholarship to a US college see Mr Baker.

What no common room?

As you can see the building work on our new Sixth Form centre and the conversion of the current Common Room into the new Inclusion Centre is under way. We are all going to have to put up with some short term inconvenience for the long term benefit of a purpose built new Sixth Form Centre.

Where do I go?- The canteen is available for group study and general relaxation. Please keep the library for silent work. There will also be plenty of free classrooms, but please leave them as you find them.

Where are Mr Baker and Miss Vadher?- Still in our old office, come through the common room to get to us.

Please be considerate to other people around the school when you have free periods during the work.

ID Badges

These must be worn **at all times**

If you do not have it on you, you will be sent home to get it.

Lanyards are available in the sixth form office and cost £2 each.

There are lots of open days coming up in this month. If you have not been on a university open day yet I would strongly encourage you to do so before the end of the year. It will help you refine your idea of what you are looking for from a course and university.
