Please see Ms Vadher if you can help!

Open Days

There are lots of open days coming up in the next Month. If you have not been on a university open day yet I would strongly encourage you to do so before the end of the year. It will help you refine your idea of what you are looking for from a course and university.

Remember you need to fill in a green form and get permission from the teachers whose lessons you are missing before you go.

To find out more about universities go to www.unistats.com as well as the Times and Guardian League Tables (links on MLE)
