27th January 2012

To Parents/Guardians of Year 9 Students

Dear Parent/Guardian

Key Stage 3 – 4 Progression Evening

Date: Tuesday 21st February 2012

Time: 4.00 – 6.30 pm

At Beal our curriculum is innovative and exciting. We know that providing as much choice, and as many options, as possible can ensure that students will be successful and confident as they progress through their school lives. We want our students to be fully prepared to meet the challenges of our rapidly improving society. The Information, Advice and Guidance (IAG) given to students is critical to them making the best decisions about option choices.

To introduce this process, you are invited to attend a Progression Evening on Tuesday 21st February 2012. Departments will be displaying information about KS4 courses in the dining area between 4.00 pm and 6.30 pm. There will also be two 30-minute presentations by the Headteacher and the KS4 team at 5.00 pm and 6.30 pm. Please feel free to come at any point between 4 pm and 6.30 pm but leave sufficient time to visit the displays and attend one of the presentations. This event is an opportunity for parents to meet with teachers, and students, from core and option subjects in order to learn more about content, assessment and progression.

Following this evening, the online options process will be available to students and they will be invited to an IAG session with a member of the school leadership team; you are welcome to attend this session.

Year 9 Parents' Evening on Thursday 1st March will provide more detailed information about your child's progress and achievement; supporting appropriate choices for further study.

We have attached a list of important dates in the progression process. Please make a note of them. We hope that you can be as involved as possible in the process so that by working together we can guarantee the best future for your child. We look forward to seeing you.

Yours sincerely

Mr B Lyon
